At OTB we take the safety of our customers very seriously. The information provided on these pages refers to the allergens contained in the ingredients which make up the dishes found on the OTB menu.

Please be aware that whilst every care is taken to ensure that food prepared in our kitchens remain free of allergens the chefs and manufactures of products handle other items. As a result there is a chance that items may contain a trace of other ingredients not noted on the information sheet. Note that whilst peanuts are not present as an ingredient in any dishes, they are used for special menu items and are handled in our kitchen with the greatest care
(F) Due to offering a such wide selection of menu items the oil in our fryers will contain traces of allergens including gluten, nuts, peanuts, dairy, soya, sesame, fish, mollusc, crustacean, lupin, egg, mustard, sulphates and celery.
